

SRI VEERENDRA PATIL :— Several Hon. Members expressed that in Kaup Police excesses have taken place. In view of the feelings expressed by several members, I will ask the Deputy Commissioner to make necessary enquiries and submit a report to me. After I get a report, in the light of the report that I receive from the Deputy Commissioner, whatever action is necessary, I will take without any fear or favour. I will also take further steps in the matter.

### NOTICE OF ADJOURNMENT MOTION REGARDING ALLEGED POLICE EXCESSES OF DAVANAGERE.

†SRI V. N. PATIL (HUMNABAD) :—Sir, I have given notice of an adjournment motion about the murder of the CPI workers and leaders of Davanagere by name Suresh and Sekharappa. The incidents leading to their death took place on the 1st evening about 6-30, I am told. Yesterday I visited that place. The entire Davanagere Town was in grief. Suresh was a Municipal Councillor. From what I could gather from the people in the funeral procession, it appears that Suresh and Sekharappa were sitting in the Office when they were attacked.

MR. SPEAKER :—I will give the hon. Member only five minutes.

SRI V. N. PATIL :— could gather from the people of Davanagere that the attack on these two deceased, was a well-organised and well-planned dastardly attack to get rid of the Union leaders and the Communist Party leaders at Davanagere. And in this attack, the Police was never in the picture. In this incident nearly 30 workers are injured, besides the death of these two leaders and untold suffering to many. I want to ask the Hon. Chief Minister what the Police Department was doing then? Is it not the tradition of the Congress regime to post the entire Police force in places where activities of non-Congressmen take place? How is it that not a single Constable was not posted when the Leftist Communists held a meeting? When we address public meetings in Bangalore, Police will be present in large number. How is it that when the CPI leaders were addressing the meeting, a public meeting, not a single Constable was present? How is it C.I.Ds. were also not present? This incident has unfortunately taken place in the national highway in broad daylight. This shows the complicity of the Police in the crime; this shows that there was some understanding between the Management, the Left Communists and the Police Department. I suspect the Police also on account of their most passive attitude and their indifference to maintenance of law and order. When the procession started, actually one amongst the accused, who

(SRI V. N. PATIL)

was wanted, was actually following the procession. This was the person who pointed out the deceased. Because he pointed out the deceased, the latter was about to be lynched. There was dereliction of duty on the part of the Police. The murder of these two CPI leaders in Davanagere was pre-planned by the Management-sponsored Left Communist workers. I do not know why the Police remained silent spectators although the Leftist Communist workers, attack on our worker's went on for more than half-an-hour. The only inference that could be drawn in that there was some conspiracy between the Leftist Communists, the management and the Police.

MR. SPEAKER :— The Hon Member must conclude.

SRI V. N. PATIL :— I am telling that the Management and the Leftists Communists have joined hands with each other. More than 10,000 people marched peacefully in the funeral procession. The entire Davanagere City has been grief-stricken by these ghastly murders. Even though the attack on our workers was going on for nearly an hour not a single constable was on the spot. It appears the Police had been deputed for security duty in connection with the visit of Lt. Governor Jatti.

MR. SPEAKER :— The Hon. Member should conclude.

SRI V. N. PATIL :— Since we suspect collusion between the Police, the Management and the Left Communists there cannot be fair investigation by the Police Department, particularly by the Inspector of Police in whose jurisdiction this offence has taken place. That Sub-Inspector is due to retire after six months and, therefore, he wants to let things take their own course. I want the Hon. Chief Minister to assure us of a thorough enquiry.

MR. SPEAKER :— Please conclude.

SRI V. N. PATIL : Please do not force me to conclude abruptly and say unpleasant things. It does not becomc you to act in such a manner when I am describing ad dastardly act and a grave situation and provoke me...

MR. SPEAKER : This is most intolerable.

SRI V. N. PATIL :— When I am seriously referring to two most dastardly murders of workers belonging to our party in Davanagere, it is falling on your deaf ears.

We want a fair trial of all that has happened. I am told that such repeated attacks are going to take place.

Threats are given and there are several managements who are prepared to spend eight to ten lakhs of rupees and see persons are arrested and put to trial. They will not hesitate to spend lakhs of rupees; big money bags are there. Those who do not have any ideology are inciting the mob and the Left Communist Party has behaved in such a manner that after taking out a procession and addressing a public meeting three leaders were done to death. Why did the police Department fail to be present when exciting speeches were made? Why did not the police follow the procession where more than 10,000 persons surcharged with emotion assembled there? What guarantee is there for the C.P.I. leaders and workers to serve if riots start in collusion with managements? I demand of you, Sir, that a fair-minded officer—if I may mention the name who is known for his reputation and integrity, Sri Revanna—is sent. He is one of the officers known for his reputation. I request the Chief Minister the depute such an officer so that fair investigation is assured and culprits are booked with these words I conclude.

Sri AZEEZ SAIT (Narasimharaja):—Sir, this is probably the third incident within the week where we have come to know about police carelessness or atrocities.

MR. SPEAKER:—Here it is the other way. They complain that the police did not act.

Sri AZEEZ SAIT:—I am saying the same thing. Recently, we discussed about Shimoga atrocities. Just now my friend Sri Bhaskar Shetty had to sit in Dharna and the Chief Minister had to promise that he would ask the Deputy Commissioner to go and investigate. Davangere incident is another instance. The workers were cut into pieces mercilessly and the police did not act promptly. For this, there are so many reasons and parties are behind this incident. There is more of capitalist ideology and the Labour Department is practically sleeping. The Labour Department is not at all alive to the problem. It is only trying to implement some of the statutes and its main concern is the question of recognition of Unions. If they had acted promptly I do not think the difficulties would have arisen and workers would have clashed. Today the head of the Labour Department and the Minister for Labour are useless. They have nothing to say about Labour problems at all. I would like to bring to the Chief Minister's notice one point. If I am wrong, I am open to correction.

Labour Minister had visited Mysore city and Davangere city so many times. I want to ask the chief Minister, through you Sir, to find out from the concerned Minister how many reconciliation meetings were called for and how many of them were decided? I want to know what has been done in the matter. On account of this careless attitude and ignorance on the part of the Government, such things are happening. If these labour unions were recognised, there would have been no clashes at all, when there was a public meeting, when there was a procession and when a party attacked another party with lathies and weapons, what were the police doing. Innocent people were beaten recklessly and mercilessly. Where there is suspicion, the C. I. D. people are there to find out and take immediate action. I am asking the Government, why these police Authorities did not take prompt action knowing fully well that there was a procession and a meeting. These C. I. D. people

are very intelligent people. They should have taken action then and there. If they had taken action promptly, two lives would have been saved. A sort of fear complex among the public and the leaders whether they are labour leaders to leaders or political parties, has developed and they are hesitating to move freely in the city. Therefore this is a very important question and the adjournment motion should be allowed as in the case of Shimoga motion. If this sort of thing is not checked I am afraid this may develop all over the state especially in the industrial areas and consequently there will be no peace at all. Therefore, I request the chair to allow the adjournment motion and see the matter is discussed in detail.

‡ SRI VEERENDRA PATIL:—The Ganesha Textile Mill, Davangere, has a Union styled as Sri Ganesha Textile Mills Employees Association, affiliated to Communist party (Marxists). Sri S. Hanumantha Reddy, Advocate, Chitradurga, is the president of the said Union. There is another Textile Mill by name Sri Siddeswara Textile Mill, where the majority of the workers are controlled by the Union styled as Sri Siddeswara Textile Mill Employees Association, which is affiliated to the Communist party of India (Right). There has been rivalry between the two Unions.

On 1st April 1970 at 1600 hrs. there was a workers' meeting of Sri Ganesha Textile Mill Employees Association (500), about two furlongs from the labour Union Offices. The meeting was to have been addressed by Sri S. Suryanarayana Rao of Bangalore and Sri S. Hunumantha Reddy, the President of the Union. As the meeting was being addressed by Sri S. Suryanarayana Rao, some of the workers of Sri Ganesha Textile Mills brought one Smt. Savithramma Nellappa and others by force to the meeting, as they had fallen out from their Association and joined Sri Siddeswara Textile Mills Employees Union. These persons managed to run away from the meeting and conveyed the information to the labour Leaders of D. C. M. Employees Association in the Association Office. The D. C. M. Employees Association is also controlled by Communist party (R). About 25 to 30 workers led by Sri Shekarappa and Sri A. Suryanarayana Rao on coming out of their office premises, met Sri S. Suryanarayana Rao, who finished his speech and was on his way to address another meeting, and accosted him. On hearing this information, the Sri Ganesha Textile Mill workers got enraged and went in a group to the D.C.M. Employees Association Office and belaboured Communist Party (Right) Labour Leaders Sri A. Suryanarayana Rao, Shekarappa and others with clubs and cycle chains.

On receipt of this information, Police rushed to the spot and rounded up the persons including Sri S. Suryanarayana Rao and removed the 19 injured persons to the hospital. Sri Shekarappa and Sri A. Suryanarayana Rao succumbed to the injuries. On seeing the tense

(SRI VEERENDRA PATIL)

situation, Section 144 Cr.P.C. was pro nulgated. No worker attended the next shift in the Mills. Two cases were registered against Sri S Suryanarayana Rao and 20 others in one and Sri S. Suryanarayana Rao and 11 others in another case. This incident took place abruptly.

On 2nd April 1970 a funeral procession of the deceased labour leaders was taken out by 6,000 strong crowd led by Municipal President and Councillors in the main street of the Town at 12 noon. When the procession was going on, the worker divided in groups, went in to the Town and burnt car No. MYQ 8246 belonging to Sri Shambulingappa, Sri Siddeswara Mills, damaged another car No. MYU 25 stationed by the side, damaged window panes, ventilators of the house and office building of Gundi Mahadevappa. Ganesha Mills, damaged car No. MYU 2109 and 13 cycles at Chigateri Company Office, ransacked the petty shop of Gangappa—one of the accused—assaulted Sri Ganesha Mill workers Smt. Kamalamma, Smt. Laxmamma, Sri Puttappa and slightly damaged cars 699, 996, 2246, and 202 of Gundi Mahadevappa. They were chased and dispersed. All the shops in the Town were closed. No worker attend the Mills. Civil Police staff was reinforced and patrolling continued.

Today viz. 3rd April 1970. it was reported that more than 50 per-cent workers are attending to their work in the mills. On receipt of information, reinforcements were rushed from Bangalore. The situation is reported to be under control.

Sri V. N. Patil said that it is not spontaneous and there is deep conspiracy behind this incident. He has further specifically stated that the senior officers of the State should be deputed for necessary enquiry. I will certainly have that suggestion in my mind before taking any further action in the matter.
